## ABOUT US

Construction Plant World was launched in 1980 to meet the needs of buyers and sellers of plant and equipment worldwide.

In conjunction with our website, [www.ConstructionPlantWorld.com](http://www.ConstructionPlantWorld.com), we are the industry leaders in helping you connect to the marketplace 24/7.

Our unique combination of a printed journal and unlimited website listing enables your machines and parts to be seen by a potential audience of millions, across print, desktop, tablet and mobile devices.

We have developed our website from the ground up to make it the easiest to use across our industry.

All our paper advertisers can advertise an unlimited number of machines or parts online **completely free of charge** for the duration of the issue.
